MIAMI'S EXPOSE PHOTO SHOOT

Saturday, October 4 from 11 a.m. to 6 p.m.

Wanna be in pictures? Artist Louis Dalmau's latest artwork is Miami's Exposé, a portrait of Miami. For this larger-than-life art project, Dalmau is extending an invitation for Miami residents to be part of a grand photo shoot at the artist's studio in the [MIMO District](#). He will capture facial expressions that will be part of his digitally enhanced and artistically transformed assemblage, Miami's Exposé. The completed art piece will be previewed on Biscayne Boulevard in the historic MIMO District between 69th and 73rd Streets during this year's Art Basel™ events. Once the entire project is completed, it will be the largest art installation in the history of Biscayne Boulevard.
